9. DISTRICT ONE/DISTRICT TWO - COUNTY COMMISSIONER REPORT:

Larry Gardner, Commissioner Barbara Jordan's Office, District I, said that he did not have anything to report at this time, but will take any issues or concerns back to Commissioner Jordan.

Commissioner Kelley said he hopes Mr. Gardner will have a chance to speak with the Parks Department about the event they are trying to put on next year; any help from the Commissioner is appreciated.

Mayor Pigatt sent his regards to Commissioner Jordan for taking the time to have an introduction with the newly elected commission next month. He hopes to get an understanding on where the City is with the debt to the county.

10. PUBLIC PRESENTATION:

11. CITIZENS' INPUT:

Dorothy Johnson, 13724 NW 22nd Place, Opa-locka, FL, congratulated the newly elected for serving the residents in the City. She asked that any information that is being discussed at the meeting is provided to the residents. She is glad there is holiday time being allotted to the employees because it is long overdue. She hopes the employees will not have to pay for it at a later date in the form of furloughs and layoffs. The police trust fund needs to be monitored because there is speculation about what the funds can be used for. She is concerned about the City constantly replacing managers and there needs to be stability and progress.

Manuel Perez, 1111 Peri Street, Opa-locka, FL, wants to know why the City keeps changing managers; it is not a good look.

Natasha Ervin, 670 Dunad Avenue, Opa-locka, FL, congratulated everyone who won the recent election and is seated on the dais. She missed the workshop on Saturday and it is unfortunate. She said the annual toy drive has taken a hit in recent years, but they still make it happen for the youth every year. The City has offered thirty five hundred dollars ($3,500.00) towards the drive and that is not enough. Last year alone they spent almost nine thousand dollars ($9,000.00) on the toy drive. The booster club has partnered with several organizations and will continue to make the toy drive an annual event for the children because the toy they receive on next Saturday will be the only one that some of them receive for the holiday season.

Herbert Tarvin, 1761 Ali-Baba Avenue, Opa-locka, FL, said he is on behalf of the people who are unable to come and thinks the manager should be given the opportunity to remain in her position and continue doing her job.

Joyce McIntyre, 3130 NW 131st Street, Opa-locka, FL, said severe rain and potholes in her area is causing damage to the residents vehicles. The other day she hit a pothole and it tore her bumper off. She complained to the City who forwarded her to the league and they have denied her claim. She is very upset and is asking for help with the matter.

Commissioner Kelley said that the potholes have been an issue. He asked the attorney why the claim was denied from the league.

City Manager Harrell said she spoke to Ms. McIntyre today, but has not had a chance to speak to the league on the matter. If she can obtain an estimate or invoice from a credible mechanic shop, the commission can consider approving a reimbursement even though the league has denied the claim.

Mayor Pigatt said that he request that the clerk provide all of the information pertaining to the meeting on the back table for the residents to review in the name of transparency.

12. ACTION ITEMS:

1 (13-6). A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF OPA-LOCKA, FLORIDA, DIRECTING THE CITY MANAGER TO CLOSE ALL CITY OF OPA-LOCKA OFFICES FROM DECEMBER 24, 2018 THROUGH JANUARY 1, 2019 AND PROVIDE PAID VACATION TO EMPLOYEES; PROVIDING FOR INCORPORATION OF RECITALS; PROVIDING FOR AN EFFECTIVE DATE. *Sponsored by Mayor Pigatt*

The above resolution was read by City Attorney Brown.

It was moved by Mayor Pigatt, seconded by Commissioner Kelley for discussion.

Mayor Pigatt said the employees have not received an increase in years; they are overworked and under staffed. This item is one of the first initiatives that will raise the moral amongst the employees by allowing them to spend the holidays with their families. It has very little to no impact on the budget.

Commissioner Burke said that there are some citizens that need to come to the City for business during the holidays. He does not want the employees to get something now that will be taken back from them during the year. He is for the day and the day after, but not the whole week.

Commissioner Kelley said he has been down this road before and agreed that the employees should not be given anything ow that will be taken from them at a later date.

Commissioner Bass said she does not think it makes sense to close the City down for a week. School will be out and the children will have nowhere to go during this time.

Commissioner Burke said there are people who are off during this time and want to address their water bill issues and if the City is closed they will not be able to do so. He said there is already time allotted to the employees for holiday.

Mayor Pigatt said he wants to amend the resolution to have employees take time off from

December 24, 2018 – December 26, 2018.

Commissioner Kelley withdrew his second on the motion.

Vice Mayor Davis made a second on the motion.

There being no further discussion, the motion on the resolution passed by a 3-2 vote.

3 (13-9). A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF OPA-LOCKA, FLORIDA, TERMINATING CITY MANAGER YVETTE HARRELL; PROVIDING FOR INCORPORATION OF RECITALS; PROVIDING FOR AN EFFECTIVE DATE. *Sponsored by Commissioner Kelley*

The above resolution was read by City Attorney Brown.

It was moved by Commissioner Kelley, seconded by Commissioner Burke for discussion.

Mayor Pigatt said he understands the desire of the vice mayor to hire a new manager, but he thinks at this time, the City should allow the current manager to remain and continue working on

behalf of the City. If this item passes, it will circumvent everything that is going on now. He asked he sponsor if you would defer the item until after the workshop so that a national search can be conducted to find an experienced manager.

Commissioner Kelley said with all due respect the Mayor, he does not think the current manager is a professional manager and it is nothing personal. She lacks the experience needed to take the City where it needs to go.

Commissioner Burke said when he decided to run for the commission seat, he ran on change. People have spoken that the manager has been here twice and she did not come in right either time and it is not right. Employees have complained that you cannot even speak to the manager. At this time the manager is not a good fit for the City.

Vice Mayor Davis said the City always takes one step forward to take two steps back and he will not support the item at this time.

Mayor Pigatt said he wants to make sure the City is transparent.

There being no further discussion, the motion on the resolution passed by a 3-2 vote.

Commissioner Burke	Yes
Vice Mayor Davis	No
Commissioner Kelley	Yes
Commissioner Bass	Yes
Mayor Pigatt	No

The above resolution was read by City Attorney Brown.

It was moved by Commissioner Burke, seconded by Commissioner Kelley for discussion.

Commissioner Kelley said he has expressed before that he feels the previous manager is the person for the job. He was only suing the City because he wanted his job back. He understands that he is working as is and is not going to have a contract. If he gets his job back, he has agreed to drop the lawsuit.

Mayor Pigatt said he has two nominees that he would like to consider for the position of city manager.

Commissioner Kelley said there is a motion on the floor to appoint Newall Daughtrey as manager and that has to be considered before any other motions are considered.

City Attorney Brown agreed.

Mayor Pigatt asked the attorney if more than one person can be nominated at one time.

City Attorney Brown said historically only one person has been considered at a time and that is how it has been.

There being no further discussion, the motion on the resolution passed by a 3-2 vote.

Commissioner Kelley	Yes
Commissioner Bass	Yes

The above resolution was read by City Attorney Brown.

It was moved by Commissioner Kelley, seconded by Commissioner Burke for discussion.

Commissioner Kelley said he wants to add Mr. Daughtrey's name as signatory. He also asked that Mr. Daughtrey mounts the dais so that a manager is sitting in the seat.

City Attorney Brown said that Mr. Daughtrey has to be sworn in in order to mount the dais.

Mayor Pigatt said he is disappointed with what is going on right now and it is not right and it is sad. He asked for the roll call.

Commissioner Bass said she had a statement. She told the mayor he keeps referencing change from what had been going on before, but that is what is going on now and she is uncomfortable with what is happening.

City Attorney Brown said his intent is to create a policy that states that if you have not been employed for 1 full year, you are not entitled to any accrued leave and this will avoid any future suits. In the past payouts have been done selectively by picking and choosing certain employees and that creates a standard especially for non-union employees.

C. RESOLUTIONS:

17. CITY MANAGER'S REPORT:

Acting City Manager Daughtrey thanked the commission for the opportunity to serve until a national search is conducted and a permanent manager is chosen; he does not have a problem with that. He will be providing a report to the commission in the coming days to bring them up to speed on where the City is.

18. OFFICIAL BOARD REPORTS:

19. MAYOR/COMMISSION REPORT:

Commission Kelley said he will defer to the chair about the visioning session since he is the one who requested it. The City wide clean up needs to begin as the community is ready to be involved in the effort. The City attorney provided a report of the pending cases and he is concerned about all of the cases that have going to court and the tax payers having to foot the bill. Moving forward, he needs status reports on how the litigation is coming along because the commission does not know about it many times until it is over or payouts have already taken place.

Commissioner Kelley asked the city attorney for an attorney/client session to discuss pending litigation.

City Attorney Brown said he will come up with a date for the attorney/client session and come back and announce it in a future meeting.

Commissioner Burke informed the dais that this is not a strong mayor form of government. It takes three votes to approve any legislation, not one, so everyone needs to respect one another and work as a team.

Vice Mayor Davis said there was an article concerning the Gardens Apartments and the residents. He has worked in that community for years and sees some of the problems that exist. He proposed two workshops to see what can be done as far as the concerns the residents have.

Acting City Manager Daughtrey said he will work on those workshops.

20. OFFICIAL BOARD APPOINTMENTS:

Commissioner Burke appointed Shalonda Rivers to the Housing Authority and Nuisance Abatement Board.

Mayor Pigatt welcomed the residents and those outside of the City to serve on any of the boards so they can be proactive in their community.

City Attorney Brown said he heard the statement by Commissioner Kelley about the hiring of Mr. Daughtrey by saying he only wanted his job back. Mr. Daughtrey has a lawsuit against the City and there has to be a Chinese wall to protect the City.

Commissioner Kelley asked Mr. Daughtrey to make a comment toward the attorney said because he said he would drop the suit.

City Attorney Brown said in the event that a national search takes place and Mr. Daughtrey is not chosen the permanent city manager six months down the line, he will not be permitted to sue the City again; it does not work that way.

Mayor Pigatt asked the attorney to make sure this is handled properly.

Acting City Manager Daughtrey said he and his attorney will meet with the attorney and do what needs to be done in the best interest of the City.

21. ADJOURNMENT:

There being no further business to come before the commission, it was moved by Commissioner Burke seconded by Commissioner Kelley to adjourn the meeting at 9:10 p.m.
