His presentation included a slide show overview of the program which explained in detail the opportunities, benefit to the community, requirements to register, how to register, getting the word out, job assignments and the City of Opa-locka's role. The Opa-locka Summer Job Program (Opa-locka ***OWLS*** – **O**pa-locka **W**ork **L**earning **S**ummer) will provide job opportunities to 100 low income minors and young adults between the ages of 14 – 24 who are Opa-locka residents.

Commissioner Johnson expressed the importance of making sure the youth are Opa-locka residents and that everyone has an equal opportunity for a job.

Mayor Kelley asked for further clarification relating to going through the application process online as a part of the South Florida Workforce website.

Manager Finnie advised that the individual would fall under the lottery process.

Vice Mayor Taylor asked about how the youth would be distributed to the various departments.

Manager Finnie stated that the application requires that the youth identify their interest and based on that the city will place them in the respective department.

Commissioner Johnson asked, what is in place to ensure confidentiality in various city departments?

Manager Finnie stated that the youth would not be assigned to work with high sensitive information.

Commissioner Johnson asked about orientation for the youth.

Manager Finnie responded by saying that there is a 20 hour component of job readiness linked to this program.

Pursuant to F.S. 286.011(8), Attorney Weeks requested that the Commission consider an Attorney/Client Session at the Regular Commission Meeting on May 13, 2009 at 7:05 p.m. and ending at approximately 7:25 p.m. in the case *Nikeya Hill and Natalie Buissereth v. City of Opa-locka, Case No. 09-CV-20662-Gold-McAliley.* In attendance at the Attorney/Client Session would be: the Mayor/Commission, the City Attorney and Assistant City Attorney Valerie Kiffin-Lewis.
